  - Patriot Flag Event – Not a detail, but, encourage attendance by all CPAA Members and their families!

The Fairfield Twp. Fire Department has been selected to host the Patriot Flag- an American Flag that is being displayed at local Fire Departments across the country and making its way back to New York City and Washington DC to be displayed on the 10th Anniversary of September 11, 2001. Come out to honor the Flag and all the victims and their families.

**Fairfield Twp. will be hosting the Patriot Flag at Bridgewater Falls on May 22 from 1-4pm.**

“The PATROT FLAG (30 X 55.5 foot - 75 pounds) will tour the United States in honor of the fallen on 9/11/01. It also represents the resolve of AMERICANS and our quest to live free. A message is conveyed: WE STILL STAND UNITED AND WE ALWAYS WILL. The flag also honors the public safety personnel on the job today willing to risk their lives for others.”
